The mission of the D.R. Evarts Library is to provide access to a variety of materials and services, which help to meet the educational, informational and recreational needs of the members of the community.

Patrons can borrow books, DVDs, Books on CD and magazines from the library for free. With a library card, you can try Overdrive to download a book or Zinio to read an e-magazine. Can't find something you want on the shelves? We can order it through the Mid-Hudson Library system's interlibrary loan service. If you need to use a computer, print, copy or fax or need some tech help with a device, your local library is here for you.

We offer programs for all ages including story hour on Tuesday mornings and makerspace and science programs on Wednesday afternoons for children, and book clubs, writing workshops and trivia nights for adults.

In 2016, we incubated and hatched ducklings and made rain barrels and hosted a corn roast and a garden pizza party with children and seniors from the Rivertown Apartments.
