Donations	3,558
Fundraising	900
Investments	686

In 2017 our library offered much more: crafts, book club, MakerSpace, robotics, multigenerational programming, children's science program, children's sewing club, pre-school story hour, summer reading, reading to therapy dog Thabiso. The library also provided programming on school half-days.

Patrons can borrow books, DVDs, books on CD and magazines. You can request books from the Mid-Hudson Library System through interlibrary loan (ILL) if what you want is not available at our own library. Use a computer, access the internet through our high-speed online service, make copies, fax or get tech help with your device.

In 2017 we incubated and hatched chickens. We also had a very successful celebration with over 150 attendees for the eclipse of the sun with children, seniors at Rivertown Apartments and the community.

Your generosity helps us serve the community!
